

Key Information

Strategic Leadership: Strategies for Effective Leaders

A 2 Day Workshop for Government Employees

This workshop provides clear, practical strategies of highly effective leaders. This Beyond Influence leadership workshop clearly defines the steps of how to implement and adopt the behaviors necessary for becoming a disciplined Highly Effective Leader while simultaneously equipping and empowering those you lead, and the Government Organization to which they belong.

The transformational leadership models which flow from this workshop give you the measuring stick to assess your own leadership. The workshop focuses on practical problems and situations of the government work environment and characteristics of the traditional leader.

Topics covered in this Workshop

- How to gain effectiveness
- Commanding the Work Environment with the Right Mindset
- How to get people to want to work for you
- Characteristics subordinates desire & respect
- Characteristics needed to get the job done
- How to look at the challenge of supervising people
- Keeping informed – Getting people to talk to you—even when it is bad news
- Developing influence
- Laws of communication in organizations
- Image & self-projection
- Achieving the Win-Win
- What to do when one of your people puts you in a bad situation
